

FRACTIONAL IT LEADERSHIP

Senior IT leadership when you need it.

Experienced, senior IT leadership providing strategic direction, governance and executive support when you need it.

WHAT FRACTIONAL LEADERSHIP DELIVERS

Leadership, direction and momentum without the full-time overhead

One IT works alongside your leadership team to understand the business, set direction and turn priorities into action. You get direct access to experienced IT leadership, without a hand-off to a junior team.

01

SET THE DIRECTION

Align IT strategy, priorities and investment with the needs of the business.

02

STRENGTHEN CONTROL

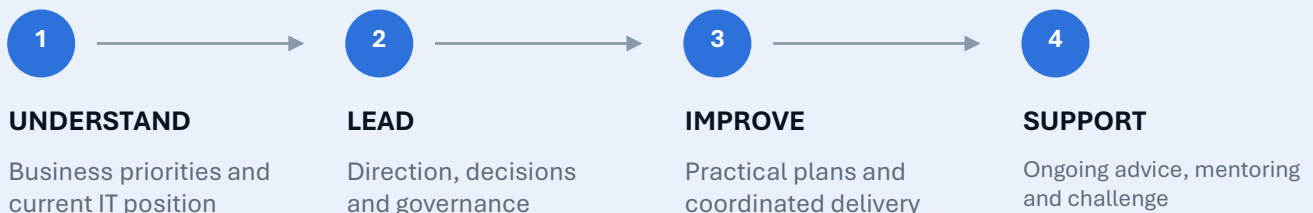

Improve governance, decision-making, risk management and accountability.

03

DELIVER IMPROVEMENT

Turn priorities into practical plans and lead the changes through to delivery.

A FLEXIBLE, OUTCOME-FOCUSED APPROACH

TAILORED TO YOUR NEEDS

Senior leadership where it adds most value

Flexible support shaped around your priorities, from strategy and board advice to mentoring, transformation and delivery.

STRATEGY & ROADMAPS

IT strategy, technology roadmaps, priorities and investment aligned to the needs of the business.

BOARD ADVICE & GOVERNANCE

Independent board-level advice, governance, policies, processes and executive decision support.

IT LEADERSHIP MENTORING

One-to-one mentoring and practical support to develop IT leaders and strengthen internal capability.

TEAM & RECRUITMENT

Team structure, skills, capacity and support recruiting permanent and contract IT staff.

COST & SUPPLIER VALUE

IT budgets, spend, licensing and supplier contracts, focused on efficiency and value for money.

RFPs & TECHNOLOGY SELECTION

Independent support with requirements, tenders, supplier evaluation and technology selection.

AI & AUTOMATION

Practical advice on AI strategy, governance, opportunities and selecting the right partners.

TRANSFORMATION & SERVICE IMPROVEMENT

Turn priorities into practical plans, improve IT services and lead change through to delivery.

WHAT YOU RECEIVE

- **Senior expertise, direct to you**
Experienced IT leadership from first conversation to delivery.
- **Flexible support, focused on outcomes**
The right level of leadership and support, shaped around your priorities.

**ONE IT.
ONE PERSON.
START TO FINISH.**
